## Rent

**Rent is due the 1st of every month! A late charge will apply if the rent is received after the grace period listed on your Lease Agreement. [Pay your rent online and avoid late fees.](#)**

## Smoke and Carbon Monoxide Alarms

California Law and Chapter 16.08 requires that all residences and rental properties must have smoke detectors installed. Smoke detector fire alarms must be installed accordingly to the manufacturer's instructions and must be fully functional and tested on a regular basis to be certain they are working.

Skyland Property Management has installed smoke detectors for the protection of all residents and guests. Skyland Property Management prohibits the intentional disabling of any smoke detector. Any person who disables a smoke detector or tampers with any other fire safety device is guilty of an offense and is subject to prosecution and are grounds for eviction.

## Happy Thanksgiving

*As we celebrate this season of gratitude, there are so many reasons to reflect and celebrate the prosperity and quality of life we experience in our community.*

*This year has brought challenges, but it has also reminded us of the truly important things in life. And although we may not have all of our loved ones around our Thanksgiving table this year, it is important to reflect on what we do have and what we are thankful for.*

*In the spirit of Thanksgiving, it is our pleasure to give thanks to you! Thank you for all the little things, for trusting our team with your happiness and most importantly, for making this community feel like home. May you and your families have a very Happy Thanksgiving!*
